

# Excel in Basketball Camp Legend

## Jim Simpson

6'5" Guard

Concord High School, Solano Junior College

**Excel Career:** Jimmy was a regular at Excel for six years and credits the camp for developing his game. Jimmy attended in the third year of the camp and quickly developed into an “Excel Legend.” A big guard, he was skilled enough to score inside and out and is one of the most talented players from the early era of Excel.

**Career:** Jimmy was a superstar at Concord High School where he still holds many of the scoring record. He was one of the most dominant players in the East Bay and led Concord to some of its finest seasons. His outstanding ability and dedication to his team was recognized by the area coaches as he was a two year Most Valuable Player of the Diablo Valley Athletic League. He continued his career at Solano Junior College where he was an outstanding player.

### Excel Awards Won:
