

Excel in Basketball Camp Legend

Paul Trette

6'2" Center

Concord High School, Utah State University

Excel Career: Paul's first exposure to Excel was after playing CYO Basketball for Coach Allocco at Saint Agnes. Paul was a very physical, competitive player who worked very hard to overachieve in basketball. Paul was an Outstanding Player at Excel and went on to have a fine career as a Football and Basketball player at Concord High School.

Career: Paul was one of the best defensive post players in the East Bay, despite his 6'2" frame. A great rebounder, he dominated games in the paint. Paul was also an outstanding football player, the top rusher on the Minuteman team. He earned a scholarship to Utah State where he was a starter at the fullback position. Paul was a fine player at the collegiate level who overcame severe leg injuries to be a major contributor to the Aggie Football Program.

Excel Awards Won:

Outstanding Player, NBA Divison: 1984

All Star Selection: 1983, 1984

One on One Champion: 1984
