Coach Allocco,

Thank you for the opportunity to attend 3 great sessions of Excel. I am sorry to have it end! Each week, I have tried to improve my skills, especially my stances. Each day, you have shared funny and meaningful stories about life lessons that I won't forget. I hope to apply those lessons to my own life. I will miss Excel and your thoughtful stories! I can't wait to come back next year!

Many thanks, Love  Katie Connolly
