

Dear Coach,

Thank you for the outstanding camp that you have founded and the great staff who helps you run it.

Michael loves coming to the camps and enjoys the competitive environment where gets the opportunity to "show off". We are planning to have him attend more sessions after next week.

Thanks for being a source of motivation and inspiration to both of my sons.

Regards
Alberta Peera

Alberta's son Dan, a 4.2 Student went on to play college basketball at Rice University!
