

Excel in Basketball Camp Legend

Michael Allocco

6'2" Guard

Northgate High School

What Excel Meant to Me:

Excel was my life through my elementary and high school years as I attended camp in California and New Jersey. I looked forward to each summer, reconnecting with “Excel friends” and developing my game. Can’t wait to have my children “continue the tradition.”

Career: Mike has the distinction of winning the Outstanding Player in the Big East, College, and NBA Divisions. He is one of the leaders in every Award Category in camp. Mike went on to Northgate High School where he contributed to the Nor Cal Regional Title in 1996. Mike’s improvement from his junior to senior year was legendary as he became the Nor Cal Player of the Year in his senior season. An uncanny scorer and great competitor, Mike was one of the finest players to ever compete at Excel and is recognized as one of the finest players in the illustrious history of Northgate Basketball.
