

Dear Coach Allocco, Coach Sullivan, Coach Joel,
Coach Cory, and the rest of the fabulous Excel
Staff,

Thank you ALL so very much for teaching,
mentoring, coaching, and "loving on" my kids.
Kiana and Anela's Excel experience was the best
by far. They came home excited every day and
practiced all of their ballhandling drills,
shooting drills, etc. Thank you for making such
a POSITIVE and LOVING impact on their young
lives! Good luck with your upcoming season and
maybe we'll come out to watch; I'm sure they'd
also love to see your inspiring faces sometime
in the near future while they're on the court.

Malama pono e Aloha a hui hou (Take care and
until we meet again),

Tanya Wannomae
