"You can't become a great teacher until you become a great student." Coach Allocco

My experience and foundation as a youth coach enables me to provide appropriate advice and skills that are relevant to this important age level. I am the Founder of the Excel Basketball Camps that have taught skills and values to boys and girls for 37 years! I coached Boys and Girls in Youth Programs in New Jersey and in California for 14 years and for the past 20+ years have served as the Vice President of the East Diablo CYO. I have also coached at the high school level for 24 years at Northgate (6 years) and at De La Salle (18 years), winning 3 State Championships, and in 2015-16 as the Associate Head Coach at the University of San Francisco. In 2017 I returned to the Youth Level where I coached 2nd grade!

The "**Ultimate Youth Basketball Coaches Clinic**"

One day, 6.5 hour clinic that will help you develop your style and skills while providing comprehensive coverage of all aspects of coaching.

The "**Youth Basketball Coaches Academy**" Two 3 hour sessions provide you with the comprehensive tools needed in a slower, relaxed pace that provides ample opportunities for questions.

These learning opportunities will increase your coaching knowledge, confidence, and ability, thus providing a better learning environment for your students.
